Florida Thoroughbred Charities

Supports Thoroughbred Retirement I Youth Education I Community

Florida Thoroughbred Charities is the charitable arm of the Florida Thoroughbred Breeders' & Owners' Association. Since 1990, FTC has strengthened and supported the community by raising more than \$3.5 million for charitable organizations within the thoroughbred industry, the city of Ocala, Marion County and the state of Florida.

The charity primarily funds the Second Chances Thoroughbred Retirement Foundation (TRF) farm at the Lowell Correctional Institution giving women there a chance to learn equine skills so they can be placed on farms for employment after release.
