Automatic Awards Contribution Program Opt-Out Form

Starting with races conducted on January 1, 2024, 5% of all Florida breeder and stallion awards you earn will be deducted and contributed to the Florida Thoroughbred Political Action Committee (the "PAC") unless you choose to opt out of this program.

If you wish to opt out of the automatic awards contribution program, please complete this form and return it to Debbie Wysocki at the offices of Smith, Bryan & Myers. Ms. Wysocki can be reached at: (850) 224-5081, dwysocki@smithbryanandmyers.com, or 311 E. Park Ave., Tallahassee, Florida, 32301.

By checking the box at the left and providing the information required below, I hereby elect not to participate in the automatic awards contribution program, and I elect not to have 5% of my Florida breeder and stallion awards deducted and contributed to the PAC. This election will apply to all Florida breeder and stallion awards I have earned on 2024 races run during the 3 months prior to the date this completed form is received by Smith, Bryan & Myers and to all breeder and stallion awards earned on subsequent races. I understand that I may revoke this election at any time and begin participating in the automatic awards contribution program by providing written notice to this effect to Smith, Bryan & Myers.
