\* - Non-winner in current year. A horse must win at least one race during the year to be eligible as a division champion.

The "FTBOA Chase to the Championship" point system, which awards points for success in blacktype/listed stakes races, will be used as a guide in naming year-end division champions for TBOA registered Florida-breds. A horse must win at least one race during the year to be eligible as a division champion. A horse selected for an Eclipse Award and/or winning a Breeders' Cup race automatically becomes the leader in the eligible division, superseding the point standings. Final point tallies are determined as of Dec. 31, with year-end ties broken by graded earnings. The naming of any division champion or other award recipient, e.g., Horse of the Year, Broodmare of the Year, etc., always remains at the sole discretion of the FTBOA Board of Directors.

International stakes race status is governed by the International Cataloguing Standards Committee. The first three finishers in all Group/Graded and listed races appearing in Part I of the International Cataloguing Standards and International Statistics Book printed by The Jockey Club receive "blacktype/listed" designation.
