I certify that the information provided above is true and correct and that the foals identified above are Thoroughbred horses foaled in the state of Florida and are therefore eligible for registration as "Florida-Breds". I assume full responsibility for the registration of these foals and agree that if any of the information provided herein is false or fraudulent: (1) the horses shall no longer be considered Florida-Breds, (2) I will be forever denied the privilege of registering any horses as Florida-Breds, (3) I will be forever denied the benefit of any and all breeders' awards in Florida, and (4) all my rights and privileges of membership in the FTBOA shall be surrendered forever. I acknowledge that Breeders' Awards, Stallion Awards, the Florida Sire Stakes and any other FTBOA racing incentives are further governed by one or more of the following, as incorporated herein by reference and as they may be subsequently amended: the separate terms and conditions applicable to each of those programs; any relevant third-party agreements; the FTBOA's Bylaws; the annual awards plan submitted by the FTBOA to the Florida Gaming Control Commission; and Chapter 550, Florida Statutes. By signing below and/or by providing payment, I certify that the information provided herein is accurate and that I agree to be bound by the terms stated herein.

Florida-bred foals of sired by registered Florida stallions may assume full eligibility for the Florida Sire Stakes program upon successful Florida-bred registration by December 31, 2026 (foals of 2025) or December 31, 2027 (foals of 2026). I understand and agree that eligibility and registration requirements for the Florida Sire Stakes (FSS) and any other FTBOA racing incentives shall be administered by the FTBOA in its sole discretion, with all decisions of the FTBOA considered final, and that all eligibility payments are non-refundable. I acknowledge that the FSS and any other FTBOA racing incentives may be governed by one or more of the following, as incorporated herein by reference and as they may be subsequently amended: the separate terms and conditions applicable to each of those programs; any relevant third-party agreements; the FTBOA's Bylaws; the annual awards plan submitted by the FTBOA to the Florida Gaming Control Commission; and Chapter 550, Florida Statutes. I further acknowledge that all terms of the FSS and any other FTBOA racing incentives, including the number of races, purse or incentive levels, race conditions, racing dates, and host track, may change from year to year and may change at any point during the year, even after the racing schedule for a particular year is announced. I hereby waive any claim of liability against the FTBOA arising from such changes or from the host track's conduct of, or failure to conduct, any race. If I nonetheless file a legal action or complaint against the FTBOA or host track in connection with the FSS or any other FTBOA racing incentives, or any associated race, I understand and agree that the FTBOA may lawfully refuse and/or return any future FSS registrations and eligibility payments submitted on behalf of any horse in which I have an interest, directly or indirectly, as an owner, breeder, or trainer. By signing below and/or by providing payment, I certify that the information provided herein is accurate and that I agree to be bound by the terms stated herein.

ADDITIONAL TERMS

Only a Thoroughbred horse foaled in the State of Florida may be registered with the Association as a Florida-Bred.

Upon receipt and verification of a completed application and the required fees, the horse may be registered in the Florida Foal Book, and the FTBOA certificate or seal affixed to its Jockey Club Certificate thereby attesting that the horse is a registered Florida-Bred. This registration establishes the breeder's eligibility for Florida Breeder Awards and the horse's eligibility to compete for various FTBOA-funded purses, purse supplements or other incentives (subject to any additional requirements for Florida-Sired horses).

Any owner or breeder of a Thoroughbred horse foaled in the state of Florida may appeal to the FTBOA's board of directors to adjudicate any matters pertaining to registration. Such adjudication by the board of directors shall be final and shall not be subject to appeal or further review.

The breeder of record as shown on the Jockey Club Certificate of a horse appropriately registered with the Association as a Florida-Bred shall be eligible for Breeders' Awards under the Association's annual awards plan submitted and approved pursuant to section 550.26165, Florida Statutes.
